FARM FOR SALE.
The subscribers offer for sale their farm, sit-
uated about two miles from the village of Bel-
low Falls, on the West River, well known as the
JOHN CLARK FARM.
Containing about three hundred and fifty acres
of land; two dwelling houses, three barns and
two tenant houses, near the railroad track.
The tenant houses are new. The large farm
house has been thoroughly repaired and paint-
ed, with new piazza in front and end, new front
porch, all in the most substantial and tasteful
manner, making it a desirable residence.
Nearly three-fourths of a mile of new water pipe
from a never-failing fountain supplies all the
premises.

OVER TWO THOUSAND DOLLARS
has been expended within the past two years
on buildings and fences, besides the tenant
houses. The land is adapted to the raising of
all kinds of crops. Some dry acres are well
adapted for tobacco. The land is now under a
good state of cultivation, to having been fed
out a large amount of hay and grain the past
two years, which has been brought on the
place, besides that which the farm has pro-
duced. The entire farm is in connection with
the river and the farm lying westerly, divided into
pasture and hay land, with a sufficient supply
of wood for the premises, situated so near
the village of Bellow Falls, a village growing
more rapidly than any place within the State,
and with its unlimited water power, which is
not being improved, but continues to increase
in still larger proportion in the future—makes
it most desirable farm in these parts. Pos-
session given immediately, except the mill
land, and in one year. Inquire of the sub-
scribers on the premises; or Joseph Wilson,
son of J. Wilson & Co., near the depot; or Wil-
son & Hopkins, at West River, Vt.
Bellow Falls, May 1, 1873. may 14/73
